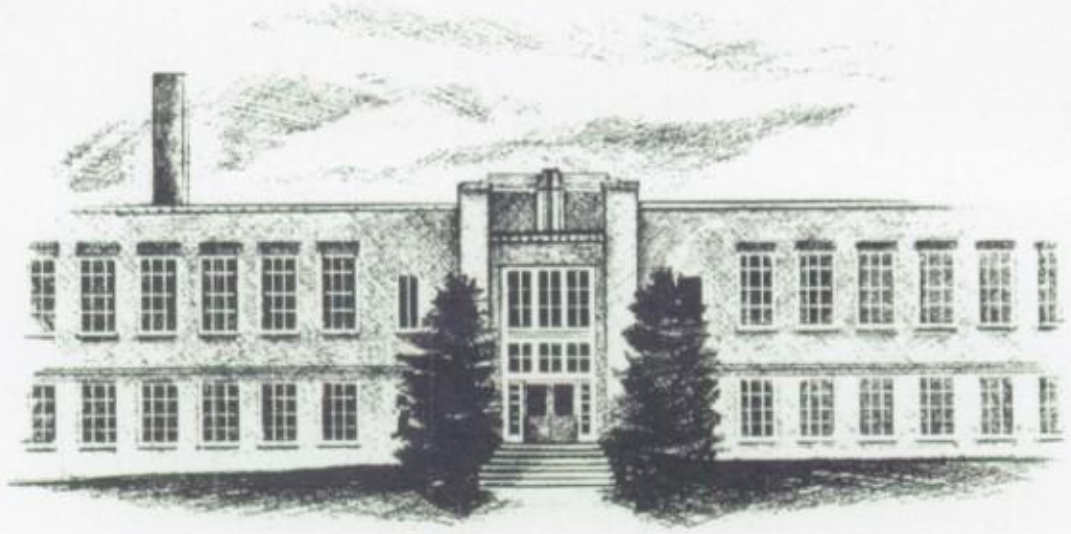
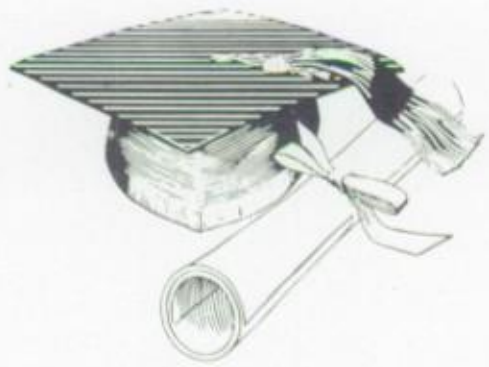
PANTHER TRACKS





Rathdrum High School

1960--1961

This year's annual will be the last annual to bear the name "Panther Tracks". Next year Rathdrum High School will become Lakeland High School because Rathdrum will be consolidated with the Spirit Lake High School in the Rathdrum High School building.

Gad!

This graduating class of 1961 humbly dedicates this annual to the devoted lives of Charles Warren and Joseph Robert Muffley Culp, Publishers of the Silver Blade of Rathdrum from 1902-1903 and of the Rathdrum Tribune 1903 until their retirement--both now over 80 years young.

For 59 years this paper never failed a single publication and in recognition of this lifetime accomplishment stands a shining example of lives devoted and still active for this community and village of Rathdrum.

We sincerely hope to express our thanks and appreciation to Charles W. Culp for his active part in local fraternal orders for many years--Knights of Pythias, Odd Fellows, Modern Woodmen, and Masons--attending numerous Idaho Grand Lodge Conventions and ceremonials of the Dramatic Order Knights of Khorassan in Idaho, Washington, and Canada. Lodge positions held range from Grand Chancellor of the Knights of Pythias to Treasurer and Secretary of the Rathdrum Masonic Lodge.

Joe R. M. Culp has been Village Clerk, Justice of the Peace, Clerk of the Former Rathdrum Independent School District (1918-1935), active in Idaho National Guards, Secretary of Rathdrum Chamber of Commerce for many years. Presently he is still serving as Village Clerk, Treasurer of the Rathdrum Lions Club, and Secretary of the Local Camp of Modern Woodmen of America.

This dedication is our honor and salute to your dedicated and devoted lives.

Mr. Young, Superintendent;
Mrs. Cappell, Secretary.

To the students of Rathdrum High School

On behalf of the administration of the Lakeland School District, I want to congratulate the graduates and students of Rathdrum High School for successfully completing another step in their education.

It is encouraging to see that in spite of the problems that confront this district the students have maintained interest and a sensible attitude toward their school work while giving support to ideas that will benefit our educational program.

We wish you continued success in your education and ask you to remember that education is a lifelong process, not just a passing stage.

Floyd F. Young

Floyd F. Young,
Superintendent

Principal

Mr. Forrey: Mr. Forrey has been the Principal of Rathdrum High School for the last two years. Not only has he been principal, but he has taught all the higher mathematic courses as well. We have enjoyed having him for our principal and will never forget him.

Faculty

Left to Right: Mr. Biesmeyer-General Science, Biology, Physics; Miss Jentges-Home Economics, English I, Health and PE; Mr. Kiefer-World History, Shop, General Math, Health and PE; Mrs. Burgett-Typing, U.S. History, Bookkeeping, Shorthand, Business Arithmetic; Mr. Forrey-Algebra I, Algebra II, Geometry; Mrs. Sylte-Library Science; Mr. Cronkhite-English II,III,IV, Algebra I, Band and Chorus, American Government.

This year Rathdrum High School had a Student-Government. Early in the year a Constitutional Convention was held and a Constitutuion was drawn up and ratified. After "red hot" campaigning the officers shown on these pages were elected. The Student Council meets every other Wednesday of each month and many bills have been passed for the betterment of the High School. It is hoped that next year this government will be kept in operation in the new consolidated high school in this building.

This Atomic World

October 5, 1960 Mr. Floyd Davis visited the Rathdrum High School and gave a program entitled "This Atomic World."

Floyd Davis is sponsored by the U.S. Atomic Energy Commission.

He is one of six units used for the presentation of demonstration lecture programs to secondary schools. The Museum Division of the Oak Ridge Institute of Nuclear Studies, under contract with the Commission, operates these units.

Mr. Davis' program was concerned with some of the basic principles and peaceful applications of atomic energy and with the importance and value of science studies to highschool students.

Mr. Davis holds a bachelor's degree in biology and chemistry from Morehouse College; has carried out additional studies in education at the University of Texas; has received training in nuclear science at Oak Ridge, Tennessee; has taught science in high school; and was for one year a "traveling teacher" in the Oak Ridge Institute of Nuclear Studies' Traveling Science Demonstration Lecture Program.

Mr. Davis also spoke to our regular classes in addition to his regular program. We are very grateful to Mr. Davis for giving us an opportunity to see his program.

Politics

Rathdrum students hold mock election. Pictured above are students of RHS casting their ballots for their choice of the candidates. Before the vote a political rally was held by the American Problems Class. At the rally speeches were given for the various candidates and for Constitutional changes and the coming school bond issue.

Student Body Meetings

Pictured above left is Mr. Young addressing the RHS Student Body explaining a school bond issue. Pictured above right is Student Body President Dick Jacquot introducing Mr. Young. With a new Constitution in effect the RHS Student Body has had numerous meetings to decide various issues such as "White Shirt Day", or whether to buy a much needed Public Address System.

Senior "Sneak"

On a sunny morning in May at about 7:30 A.M., a wild bunch of seniors got on an old school bus and "cut the scene" for the Bar B Q Ranch at Harrison, Idaho. On route, strange sounds (which some say sounded like singing) came from the interior of the bus. Upon arrival, some who felt like swimming went swimming, also some who didn't feel like swimming, went "swimming". Everyone then went on the horseback trip up in the hills around Bar B Q. Some had fast horses, some slow, and some had "lame". After the ride more swimming, water skiing, and the great sport of eating.

On a sunny afternoon in May, a tired bunch of seniors got on an old school bus and headed for home. On the way back, more strange sounds including an original "song" concerning someone named Debbie.

Career Day

Pictured above left is Janet Ponsness welcoming participants in the Career Day activities. Above right, are members of the Honor Society testing the microphone for Career Day.

Participating schools in the Career Day were:

University of Idaho
North Idaho Junior College
Montana State University
Whitworth College
Gonzaga University
Eastern Washington College of Education
Kinman Business University
Sacred Heart School of Nursing
Deaconess School of Nursing
St. Luke's School of Nursing
The Idaho State Highway Patrol

Juniors and seniors from Rathdrum and Spirit Lake High Schools participated in the Career Day. The purpose of Career Day was to help students decide on a career for themselves. Career Day was sponsored by the Rathdrum Honor Society.

Senior Bar B-Q

Pictured above are Dick Jacquot, Bruce Simon, Dean Biesemeyer, and Chet Park playing guitars and other instruments (?). The Senior Bar B-Q was held at the home of the Senior Advisor, Rev. Cronkhite. After everyone had eaten his fill, a baseball game occured. After this, home movies were shown and cookies were served. A good time was had by all.
